- Tickets must be distributed to your guests before the day of your picnic (may not be passed out upon arrival at park entry.) This helps us and other customers greatly so the line at the gate isn’t held up.
- If guests arrive without a ticket and park is at full capacity, they will be denied entry. If park is not at capacity, guest will be given the opportunity to enter, but would pay regular (non-discounted) general admission.

Inclement Weather Option: In the event of forecast concerns, picnic organizer has up to 2 days BEFORE scheduled picnic to inquire about the possibility of transferring the group’s shelter/ticket date use.

IF we have availability, there will be a \$20 fee to transfer a shelter rental and your group’s tickets to another date.

IF there is no opportunity to change this, or if picnic organizer doesn’t inquire before the 2-day minimum, all tickets and rentals remain NON-REFUNDABLE.

Shelters reserved a year ahead may pay ticket balance at the beginning of scheduled year and hold shelter with rental only during the previous year.

Music may not be amplified or contain inappropriate language.

Decorations that require the use of tape or string are allowed. The use of nails, tacks, staples, or other materials that could cause safety issues or damage woodwork are not permitted. Please remove all décor by the end of your picnic.

Clean up is the responsibility of the shelter renter. Area in and around shelter must be free of litter or future rentals will not be permitted.
